

REQUEST FOR CITY COUNCIL ACTION

City Council Meeting of 2/15/2010	Agenda Item: "K" - New Business
Originating Department: Public Works	Subject: 2010 Pavement Preservation Program-Phase 1
Action Requested: Resolution	Council Goal: Improve mobility and infrastructure
Include Cover Sheet: <input type="checkbox"/>	Legal: Item Reviewed by Legal Counsel

Executive Summary:

2010 Pavement Preservation Program - Phase 1:

The action before the Council is the adoption of a resolution regarding the 2010 Pavement Preservation Program - Phase 1, which involves ordering construction, setting a hearing date on the plans, specifications, form of contract and estimate of cost and setting a date for the taking of bids on the project.

The 2010 Pavement Preservation Program - Phase 1 consists of cleaning, sawing and re-sealing approximately 95,000 lineal feet of existing pavement joints and cracks on thirteen portland concrete streets throughout Ankeny. This project is the first of the annual projects that are being funded by the new Annual Pavement Preservation Program. This project was originally bid in November of 2009. Due to non-competitive bidding at that time, the bids were rejected by Council. It is recommended that the project be re-bid at this time.

The Council actions will allow for the following schedule for the bidding phase of this project:

1. Set Date of Bid Letting and Public Hearing = February 15, 2010
2. Publish Notice of Hearing and Letting = February 26, 2010
3. Bid Opening (10:30 A.M., City Hall) = March 9, 2010
4. Public Hearing and Award Contract = March 15, 2010
(Hold Public Hearing on the contract documents and estimate of cost, review bids received, award contract and approve contract & bonds)

Pending Council approval after the Hearing, the construction will start as soon as we have favorable weather conditions. The project will need to be fully completed within 100 working days.

Fiscal Impact: Yes ☒ No ☐

The estimated construction cost for this project is \$121,000. The funding for this project will be from General Obligation Bonding included in the Capital Improvements Program under the Annual Pavement Preservation Program.

City Manager's Recommendation:

It is recommended that the Council take the following action:

1. Adopt Resolution ordering construction and setting the bid letting date as March 9, 2010 and the public hearing date as March 15, 2010 for the 2010 Pavement Preservation Program - Phase 1 in accordance with the notice to be published.

Previous Council/Commission/Board Action(s):

None

Public Outreach Efforts:

None

Action 1:

Consider MOTION to adopt RESOLUTION ordering construction of certain public improvements and fixing a date for hearing thereon and taking of bids therefore. (date of bid-letting: 3/9/10 @ 10:30 a.m./date of hearing 3/15/10 @ 5:30 p.m.)
